## **Recommendations for administrations:**

- Keep record of your staffs ORCIDs and share them with the RDM teams, where appropriate, in order to record ORCIDs with their output.
- keep the organization's ROR entry up-to-date.
- publish the organization's ROR at an appropriate place(s), e.g. the imprint of your website.
- Employ measures and incentives to register instruments with PIDInst at acquisition.
- make a person responsible to maintain the PIDInst for each instrument (e.g. Lab technicians).
