Use cases for the implementation of PIDs in organizations

Overseeing group planning implementation activities fpr each center

Use Case 1: GEOMAR

HMC: Andrea, Manu

GEOMAR: Hela, Claus

What is the current status in capturing PIDs?

which PIDs are already systematically captured?

who is responsible for capturing them?

what tools are used to capture them, where are they captured?

are there already established workflows describing these processes?

What tools do we need or are involved?

What are the next steps?

Use Case 2: Geoforschungszentrum Potsdam (GFZ)

HMC: Andrea, Manu

GFZ:

What is the current status in capturing PIDs?

What tools do we need or are involved?

What are the next steps?
